PROFESSIONAL EXPERIENCE

Lead Technical Recruiter & Lead Campus Recruiter — FICO

May 2022 – July 2026

- Led full-cycle technical recruiting — sourcing through offer close — for Executive, AI/ML, Software Engineering, Cloud/DevOps, Data Science, and Cybersecurity roles at a global FinTech organization.
- Owned end-to-end talent strategy for the VP of DevOps Enablement as the sole recruiting strategist, building the organization from the ground up across executive leadership, senior technical talent, and entry-level hiring.
- Served as strategic recruiting partner to the Chief Analytics Officer, driving AI, Data Science, and emerging-technology hiring.
- Built and nurtured passive candidate pipelines using LinkedIn Recruiter, AI-powered sourcing tools, and talent market mapping, improving pipeline quality and time-to-fill.
- Advised hiring managers on interview calibration, candidate assessment, and competitive market positioning.
- Built university partnerships and internship pipelines, achieving a 96% intern-to-full-time conversion rate.
- Managed 20+ concurrent high-priority technical searches while sustaining executive-level stakeholder relationships.

Lead Corporate Technical Recruiter — Concentra

July 2021 – May 2022

- Sole recruiter to build the technical recruiting function from the ground up — Executive, Software Engineering, Cloud, Infrastructure, Cybersecurity, Data, and Product roles — driving 85%+ offer acceptance through strategic candidate engagement.
- Owned full-cycle recruiting, offer strategy, and negotiations, maintaining 50%+ submission-to-interview conversion while supporting critical technical workforce growth.
- Built passive pipelines for hard-to-fill technical roles through targeted sourcing, talent mapping, and market research.
- Partnered with engineering and business leaders on workforce planning and hiring strategy.

Senior Technical Recruiter — Kforce

April 2019 – July 2021

- Recruited and sourced Executive, Software Engineering, Cloud/DevOps, Infrastructure, Cybersecurity, Data/Analytics, Procurement, HR, Finance, and other corporate roles across enterprise client accounts, improving submission-to-interview conversion by 60% through targeted sourcing and quality candidate selection.
- Advised hiring managers on compensation benchmarking, market intelligence, and candidate evaluation, consistently exceeding hiring goals.
- Applied recruiting analytics and market intelligence to continuously improve sourcing performance.

Lead Technical Recruiter & Campus Recruiter — Alliantgroup

January 2018 – March 2018

- Led national campus recruiting initiatives spanning university partnerships, career fairs, and employer branding to build early-career technical talent pipelines.

EDUCATION

B.B.A. in Supply Chain Management — University of Houston, May 2016
